

Prestel Tariff

Standing Charges

Standing charges, payable quarterly, are as follows:

UK residential users £ 8.00 + VAT per quarter

UK business users £18.00 + VAT per quarter

All overseas users £50.00 per quarter

Standard Time-Based Charge

This charge applies whenever you connect to Prestel:

8am - 6pm Monday to Saturday 7p per minute + VAT

All other times 1p per minute + VAT

The above times refer to current UK time.

Other Prestel Charges

Most Prestel pages are free. Some specialist areas of Prestel carry page charges or additional premium rate time-based charges. You will always be warned whenever you are about to enter an area where page charges or premium time-based charges apply.

Telephone Charges

Each call to Prestel is connected through your telephone. All telephone calls made to Prestel from the UK are charged at local call rates. These are billed through your normal telephone bill.

Telex Charges

All incoming telexes are FREE. Outgoing telexes to other destinations within the UK are charged at 50p + VAT per telex. Charges for telexes sent to destinations outside the UK vary from country to country. For further details please send us a message via page *33333040# or phone our Helpdesk on 0442 237237.

Billing

Prestel charges are billed separately from your telephone bill. You will receive a bill direct from Prestel on a quarterly basis. This will show your standing charge and how much you have spent in usage charges (including telex and mailbox usage, if appropriate).

Payment can be made by direct debit, cheque, postal order or cash/cheque at the bank.
