## SOFTWARE MAINTENANCE CONTRACT

Metrotel have recently introduced a new scheme called the Software Maintenance Contract in order to amplify their post-sale service. This scheme replaces the Metrotel User's Bureau (MUB), and offers the following services to users;

- \* Telephone hot-line support beyond three months warranty period.
- \* Latest upgrade information.
- \* Free software upgrades.
- \* Free user documentation upgrades.
- \* Bulletins on new products released.

As a user of Metrotel products, you can enjoy the advantages of this scheme for an annual fee of £250.00 (plus VAT). Automatic renewal of the contract can be guaranteed by Bankers Order.
